Antonio Fattorini Tournaments are part of The Renaissance Academy (Bradford) Ltd registered in England & Wales 06476523. A not for profit organisation, the certification programme is run by The Renaissance Academy (GB) Ltd. The Renaissance Academy (GB) Ltd is a registered company in England & Wales 06506693 registered at 64 Bolton Hall Road, Bradford, BD2 1BJ

Antonio Fattorini was born in Italy near Lake Como in 1797. In the early 19th century, during the aftermath of the Napoleonic wars, Italy was in turmoil and much of the North was under the sovereignty of the Austrian Empire. Because of this many Italians left their native country for more peaceful lands; the young Antonio and many of his contemporaries came to England to make a new start. Antonio moved north and settled in Leeds where he traded in what today would be classed as Bric-a-Brac. We are an upmarket retail jeweller, founded by Antonio Fattorini in 1831, over generations we have earned a reputation for integrity, quality and service. Today, as direct descendants of Antonio Fattorini, we retain all that is good of old established values and complement them with a modern outlook.

Charles (Chaz) Wood is the founder of The Renaissance Academy, starting the business as a voluntary organisation helping young and underprivileged young people in and around the Bradford area. Along with his wife Donna they have expanded The Renaissance Academy to include a certification programme, bringing chess to all who want to play
